### Approved by Furntech-AFRDI

\*Check website [www.furntech.org.au](http://www.furntech.org.au) for current certification status

Certificate No.  
**16556/4**

Nominal Expiry\*  
**2 September 2025**

Product name: **Rio Mesh Chair  
Low and High Back  
Standard Seat**

Company: **Style Ergonomics Australia Pty Ltd**

Tested at: **Level 6 – Severe Commercial**

The Australasian Furnishing Research and Development Institute (AFRDI) hereby certify the above specified product under the AFRDI Blue Tick Product Certification Program using certification criteria based on **AS/NZS 4438:1997 (R2016) Height Adjustable Swivel Chairs**, and on additional requirements and variations as deemed appropriate by Furntech-AFRDI.

The company, identified above, has agreed to maintain the compliance of the product represented on this certificate, and to submit to retesting and auditing as appropriate,

Testing and evaluation was conducted such that, in the opinion of Furntech-AFRDI, all products claiming AFRDI Approval that are assembled from the components designated on this certificate, should perform satisfactorily in relation to the certification criteria.

This certificate does not relate to fabrics or other upholstery coverings – chairs cannot comply with the Standard unless the fabrics or coverings used (if any) meet the flammability requirements of **AS/NZS 4088.1** and the care labelling requirements of **AS/NZS 1957**.

This certification is valid for three years but may be suspended, revoked or renewed.

Certificate No.  
**16555/7**

Nominal Expiry\*  
**2 September 2025**

Product name: **Newton NE600 & NE600C, Newton-MB High Back Extra Large Seat**

Company: **Style Ergonomics Australia Pty Ltd**

Tested at: **Level 6 – Severe Commercial**

The Australasian Furnishing Research and Development Institute (AFRDI) hereby certify the above specified product under the AFRDI Blue Tick Product Certification Program using certification criteria based on **AS/NZS 4438:1997 (R2016) Height Adjustable Swivel Chairs**, and on additional requirements and variations as deemed appropriate by Furntech-AFRDI.

The company, identified above, has agreed to maintain the compliance of the product represented on this certificate, and to submit to retesting and auditing as appropriate,

Testing and evaluation was conducted such that, in the opinion of Furntech-AFRDI, all products claiming AFRDI Approval that are assembled from the components designated on this certificate, should perform satisfactorily in relation to the certification criteria.

This certificate does not relate to fabrics or other upholstery coverings – chairs cannot comply with the Standard unless the fabrics or coverings used (if any) meet the flammability requirements of **AS/NZS 4088.1** and the care labelling requirements of **AS/NZS 1957**.

This certification is valid for three years but may be suspended, revoked or renewed.

**Multiple shift operation**

**Static load tested to 490 kg**

The Australasian Furnishing Research and Development Institute (AFRDI) hereby certify the above specified product under the AFRDI Blue Tick Product Certification Program using certification criteria based on the following Standards and on additional requirements and variations as deemed appropriate by Furntech-AFRDI. For full test results and details of the specific components allowed on this chair, see Test Report 17283/1.

**AFRDI 142 - Rated Loads for Office Swivel Chairs**

**AS/NZS 4438:1997 (R2016) Height Adjustable Swivel Chairs** at Level 6 – Severe Commercial

The company, identified above, has agreed to maintain the compliance of the product represented on this certificate, and to submit to retesting and auditing as appropriate.

This certificate does not relate to the ignitability or durability of the chair's upholstery covering (e.g. fabric or leather). The chair's seat foam and back foam have been tested to the ignitability requirements of AS/NZS 4088.1 and found to be compliant.

This certification is valid for three years but may be suspended, revoked or renewed.

Certificate No.  
**16556/1**

Nominal Expiry\*  
**2 September 2025**

Product name: **Prestige P350**  
**Low and High Back**  
**Standard and Square Seat**

Company: **Style Ergonomics Australia Pty Ltd**

Tested at: **Level 6 – Severe Commercial**

The Australasian Furnishing Research and Development Institute (AFRDI) hereby certify the above specified product under the AFRDI Blue Tick Product Certification Program using certification criteria based on **AS/NZS 4438:1997 (R2016) Height Adjustable Swivel Chairs**, and on additional requirements and variations as deemed appropriate by Furntech-AFRDI.

The company, identified above, has agreed to maintain the compliance of the product represented on this certificate, and to submit to retesting and auditing as appropriate.

Testing and evaluation was conducted such that, in the opinion of Furntech-AFRDI, all products claiming AFRDI Approval that are assembled from the components designated on this certificate, should perform satisfactorily in relation to the certification criteria.

This certificate does not relate to fabrics or other upholstery coverings – chairs cannot comply with the Standard unless the fabrics or coverings used (if any) meet the flammability requirements of **AS/NZS 4088.1** and the care labelling requirements of **AS/NZS 1957**.

This certification is valid for three years but may be suspended, revoked or renewed.

The Australasian Furnishing Research and Development Institute (AFRDI) hereby certify the above specified product under the AFRDI Blue Tick Product Certification Program using certification criteria based on the following Standards and on additional requirements and variations as deemed appropriate by Furntech-AFRDI. For full test results and details of the specific components allowed on this chair, see Test Report 17283/1.

**AFRDI 142 - Rated Loads For Office Swivel Chairs**

**AS/NZS 4438:1997 (R2016) Height Adjustable Swivel Chairs** at Level 6 – Severe Commercial

The company, identified above, has agreed to maintain the compliance of the product represented on this certificate, and to submit to retesting and auditing as appropriate,

This certificate does not relate to the ignitability or durability of the chair's upholstery covering (e.g. fabric or leather). The chair's seat foam and back foam have been tested to the ignitability requirements of AS/NZS 4088.1 and found to be compliant.

This certification is valid for three years but may be suspended, revoked or renewed.

Product name: **Style CAST11 Black Castor**  
with the following characteristics

- Free Wheeling
- Hard Tyre

Company: **Style Ergonomics Australia Pty Ltd**

The Australasian Furnishing Research and Development Institute (AFRDI) hereby certify the above specified products under the AFRDI Blue Tick Product Certification Program using certification criteria based on **AFRDI Standard 109: Components for chairs - Part 4 Chair Castor** and on additional requirements and variations as deemed appropriate by Furntech-AFRDI.

The company, identified above, has agreed to maintain the compliance of the products represented on this certificate, and to submit to retesting and auditing as appropriate,

Testing and evaluation was conducted such that, in the opinion of Furntech-AFRDI, the products designated on this certificate should perform satisfactorily in relation to the certification criteria.

The tested samples are maintained in the Furntech-AFRDI library for future comparison and audit.

Components that meet the requirements of this Standard are suitable, in terms of strength and durability, for use in chairs up to and including Test Level 6 of AS/NZS 4438:1997 - Height adjustable swivel chairs. Compliant components should not be assumed to be substitutable on assembled chairs without Furntech-AFRDI approval.
