Minor assembly required // Suitable for indoor use only // 7 year warranty // Weight limit is 130kg

Blue Tick Product Certification

Approved by **Furntech-AFRDI**
*Check website www.furntech.org.au for current certification status
Certificate No. **18062/4**
Nominal Expiry* **2 September 2028**

Product name: **Rio Mesh Chair Low and High Back Standard Seat**
Company: **Style Ergonomics Australia Pty Ltd**
Tested at: **Level 6 – Severe Commercial**

Tested for people up to 110 kg.

The Australasian Furnishing Research and Development Institute (AFRDI) hereby certify the above specified product under the AFRDI Blue Tick Product Certification Program using certification criteria based on **AS/NZS 4438:1997 (R2016) Height Adjustable Swivel Chairs**, and on additional requirements and variations as deemed appropriate by Furntech-AFRDI.

The company, identified above, has agreed to maintain the compliance of the product represented on this certificate, and to submit to retesting and auditing as appropriate.

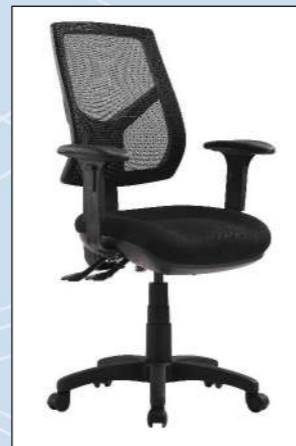

NB. This product meets all of the strength, durability and stability requirements of the Standard but has some intentional variations to the requirements of the Functional Dimensions.

Testing and evaluation was conducted such that, in the opinion of Furntech-AFRDI, all products claiming AFRDI Approval that are assembled from the components designated on this certificate, should perform satisfactorily in relation to the certification criteria.

This certificate does not relate to fabrics or other upholstery coverings – chairs cannot comply with the Standard unless the fabrics or coverings used (if any) meet the flammability requirements of **AS/NZS 4088.1** and the care labelling requirements of **AS/NZS 1957**.

This certification is valid for three years but may be suspended, revoked or renewed.

The Australasian Furnishing Research and Development Institute (AFRDI) hereby certify the above specified product under the AFRDI Blue Tick Product Certification Program using certification criteria based on **AS/NZS 4438:1997 (R2016) Height Adjustable Swivel Chairs**, and on additional requirements and variations as deemed appropriate by Furntech-AFRDI.

The company, identified above, has agreed to maintain the compliance of the product represented on this certificate, and to submit to retesting and auditing as appropriate.

NB. This product meets all of the strength, durability and stability requirements of the Standard but has some intentional variations to the requirements of the Functional Dimensions.

Testing and evaluation was conducted such that, in the opinion of Furntech-AFRDI, all products claiming AFRDI Approval that are assembled from the components designated on this certificate, should perform satisfactorily in relation to the certification criteria.

This certificate does not relate to fabrics or other upholstery coverings – chairs cannot comply with the Standard unless the fabrics or coverings used (if any) meet the flammability requirements of **AS/NZS 4088.1** and the care labelling requirements of **AS/NZS 1957**.

This certification is valid for three years but may be suspended, revoked or renewed.

The Australasian Furnishing Research and Development Institute (AFRDI) hereby certify the above specified product under the AFRDI Blue Tick Product Certification Program using certification criteria based on the following Standards and on additional requirements and variations as deemed appropriate by Furntech-AFRDI. For full test results and details of the specific components allowed on this chair, see Test Report 17283/1.

AFRDI 142 - Rated Loads for Office Swivel Chairs

AS/NZS 4438:1997 (R2016) Height Adjustable Swivel Chairs at Level 6 – Severe Commercial

The company, identified above, has agreed to maintain the compliance of the product represented on this certificate, and to submit to retesting and auditing as appropriate.

This certificate does not relate to the ignitability or durability of the chair's upholstery covering (e.g. fabric or leather). The chair's seat foam and back foam have been tested to the ignitability requirements of AS/NZS 4088.1 and found to be compliant.

This certification is valid for three years but may be suspended, revoked or renewed.

Blue Tick Product Certification

Approved by Furntech-AFRDI

*Check website www.furntech.org.au for current certification status

Certificate No. **18062/8**
 Nominal Expiry* **2 September 2028**

Product name: **Aqua & Oriel Chair Low and High Back Standard Seat**

Company: **Style Ergonomics Australia Pty Ltd**

Tested at: **Level 6 – Severe Commercial**

Tested for people up to 110 kg.

The Australasian Furnishing Research and Development Institute (AFRDI) hereby certify the above specified product under the AFRDI Blue Tick Product Certification Program using certification criteria based on **AS/NZS 4438:1997 (R2016) Height Adjustable Swivel Chairs**, and on additional requirements and variations as deemed appropriate by Furntech-AFRDI.

The company, identified above, has agreed to maintain the compliance of the product represented on this certificate, and to submit to retesting and auditing as appropriate.

NB. This product meets all of the strength, durability and stability requirements of the Standard but has some intentional variations to the requirements of the Functional Dimensions.

Testing and evaluation was conducted such that, in the opinion of Furntech-AFRDI, all products claiming AFRDI Approval that are assembled from the components designated on this certificate, should perform satisfactorily in relation to the certification criteria.

This certificate does not relate to fabrics or other upholstery coverings – chairs cannot comply with the Standard unless the fabrics or coverings used (if any) meet the flammability requirements of **AS/NZS 4088.1** and the care labelling requirements of **AS/NZS 1957**.

This certification is valid for three years but may be suspended, revoked or renewed.

The Australasian Furnishing Research and Development Institute (AFRDI) hereby certify the above specified product under the AFRDI Blue Tick Product Certification Program using certification criteria based on the following Standards and on additional requirements and variations as deemed appropriate by Furntech-AFRDI. For full test results and details of the specific components allowed on this chair, see Test Report 17283/1.

AFRDI 142 - Rated Loads For Office Swivel Chairs

AS/NZS 4438:1997 (R2016) Height Adjustable Swivel Chairs at Level 6 – Severe Commercial

The company, identified above, has agreed to maintain the compliance of the product represented on this certificate, and to submit to retesting and auditing as appropriate.

This certificate does not relate to the ignitability or durability of the chair's upholstery covering (e.g. fabric or leather). The chair's seat foam and back foam have been tested to the ignitability requirements of AS/NZS 4088.1 and found to be compliant.

This certification is valid for three years but may be suspended, revoked or renewed.

Static load tested to 490 kg

The Australasian Furnishing Research and Development Institute (AFRDI) hereby certify the above specified product under the AFRDI Blue Tick Product Certification Program using certification criteria based on the following Standards and on additional requirements and variations as deemed appropriate by Furntech-AFRDI. For full test results and details of the specific components allowed on this chair, see Test Reports 17283/1 and 17283/2.

AFRDI 142 - Rated Loads for Office Swivel Chairs

AS/NZS 4438:1997 (R2016) Height Adjustable Swivel Chairs at Level 6 – Severe Commercial

The company, identified above, has agreed to maintain the compliance of the product represented on this certificate, and to submit to retesting and auditing as appropriate.

This certificate does not relate to the ignitability or durability of the chair's upholstery covering (e.g. fabric or leather). The chair's seat foam and back foam have been tested to the ignitability requirements of AS/NZS 4088.1 and found to be compliant.

This certification is valid for three years but may be suspended, revoked or renewed.

Blue Tick Product Certification

Approved by Furntech-AFRDI

*Check website www.furntech.org.au for current certification status

Certificate No. **17308/1**
 Nominal Expiry*
28 February 2027

Product name: **Maxi 4 Leg Chair**
 Company: **Style Ergonomics Australia P/L**
 Product type: **Fixed height four leg chair**
 Seats: **1 person**
 Certified for: **General safety** ✓
Strength and durability ✓
Stability ✓
Upholstery foam/mesh ignitability ✓
 Test level: **6 – Heavy Commercial**

AFRDI Blue Tick certification criteria are based on **AS 4688 part 1:2018** and **AS/NZS 4688 parts 2, 3 and 4:2000 (R2016)** Fixed height chairs, but may include additional requirements and variations as deemed appropriate by Furntech-AFRDI.

Fabrics (or other upholstery foam coverings) have not been assessed as they are often specified by the customer. To comply with the care requirements of **AS 4688** fabrics must meet the care labelling requirements of **AS/NZS 1957**.

Testing and evaluation was conducted on the specified chairs, or selected samples from the range, such that in the opinion of Furntech-AFRDI all items (as tabulated below) should perform satisfactorily in relation to the certification criteria. Certification is limited to the features and options depicted and listed on this certificate.

The supplier having agreed to maintain the compliance of the product and to submit to retesting and auditing as appropriate, the Australasian Furnishing Research and Development Institute hereby certifies the product (as specified) under the AFRDI Blue Tick Product Certification Program.

This certification is valid for three years but may be suspended, revoked or renewed.

Product
Certification

The Australasian Furnishing Research and Development Institute (AFRDI) hereby certify the above specified product under the AFRDI Blue Tick Product Certification Program using certification criteria based on **AFRDI Standard 109: Components for chairs - Part 5 - Office chair mechanisms** and on additional requirements and variations as deemed appropriate by Furntech-AFRDI.

The company, identified above, has agreed to maintain the compliance of the product represented on this certificate, and to submit to retesting and auditing as appropriate,

Testing and evaluation was conducted such that, in the opinion of Furntech-AFRDI, the product designated on this certificate, with the features listed below, should perform satisfactorily in relation to the certification criteria.

Tested samples of the products are maintained in the Furntech-AFRDI library for future comparison and audit.

Components that meet the requirements of this Standard are suitable, in terms of strength and durability, for use in chairs up to and including Test Level 6 of AS/NZS 4438:1997 - Height adjustable swivel chairs. Compliant components should not be assumed to be substitutable on assembled chairs without Furntech-AFRDI approval.

This certification is valid for three years but may be suspended, revoked or renewed.

Product name: **Style BAS1-300 Black Base**

Company: **Style Ergonomics Australia Pty Ltd**

Blue Tick
Product
Certification

The Australasian Furnishing Research and Development Institute (AFRDI) hereby certify the above specified product under the AFRDI Blue Tick Product Certification Program using certification criteria based on **AFRDI Standard 109: Components for chairs - Part 3 Star bases - Five feet or more Strength durability and castor retention** and on additional requirements and variations as deemed appropriate by Furntech-AFRDI.

The company, identified above, has agreed to maintain the compliance of the product represented on this certificate, and to submit to retesting and auditing as appropriate,

Testing and evaluation was conducted such that, in the opinion of Furntech-AFRDI, the product designated on this certificate should perform satisfactorily in relation to the certification criteria.

A tested sample of the product is maintained in the Furntech-AFRDI library for future comparison and audit.

Components that meet the requirements of this Standard are suitable, in terms of strength and durability, for use in chairs up to and including Test Level 6 of AS/NZS 4438:1997 - Height adjustable swivel chairs. Compliant components should not be assumed to be substitutable on assembled chairs without Furntech-AFRDI approval.

This certification is valid for three years but may be suspended, revoked or renewed.
